

Dining Notes: Burgers vs. Wings

May 18, 2011

Burgers or wings? That's the question Beef 'O' Brady's is posing. Cast your vote at beefobradys.com and earn a coupon for \$5 off your next purchase of \$25 or more. Wings reigned supreme in last year's contest, but the Florida-based franchise believes its new black angus burger served on a toasted brioche bun may sway things.
