Beef 'O' Brady's this week opened a location in Largo at 13847 Walsingham Road, bringing Beef's total restaurant number to 212.

The Largo location has 20 draft beers, a full bar and a party room.

The Tampa family pub chain also has focused on expanding in the western United States, said Chief Development Officer James Walker.

Plans call for new locations in Arizona, California, Idaho, Arkansas, Texas and Tennessee by year's end.
