

WBRC FOX 6 – Birmingham

May 16, 2006

New owner Joey McGilberry and his wife went to the WBRC studio and taped a cooking segment. Joey talked about his new Beef 'O' Brady's with his wife, who helped convey the "family aspect" of Beef's. Joey also cooked up a Philly Cheese Steak and brought in some of Beef's famous Buffalo wings to display as well. The segment will run in the near future.
